These little boys may never see a sight like this again. Kenneth (4) Barrie (6) and David (7) are the three sons of Mr. and Mrs. J. Gordon Ford, 668 Transit. Mrs. Ford herself took this picture of the little fellows watching a Japanese training ship as she crept out of Victoria. But in the days of "Hellfire" Pedersen such ships were common enough on this coast. For the story of that fabulous character, see Cecil Clark's true tale on Pages 8 and 9.
